Excellence in Distribution

Headquartered in Atlanta, Georgia, SED International is a leading provider of computer hardware, consumer electronics, cellular, and small appliance products to channel partners throughout the United States and Latin America. Our 30 years in distribution have built strategic partnerships with leading manufacturers and in turn have made high demand products available to you. Our six distribution facilities worldwide provide value and excellence through our world-class systems and infrastructure.

Personalized Service

The foundation of our success has been our focus on customer relationships. We provide individualized customer care to each and every account, regardless of size. Our sales representatives are highly trained, professional, and dedicated to our customers' success.

Online Ordering

Customer can access www.sedonline.com 24 hours a day, seven days a week to quickly locate our real-time inventory, place orders, and ship products online. For convenience, special offers, new product information, order tracking and more are available within the website. Free shipping for orders over \$750.00

Warehousing and Shipping Management

Our approach to customer care has led to a state-of-the-art warehouse management system that ensures accuracy and timeliness with every order. Our exceptional distribution infrastructure provides same day shipping with 99.98% order accuracy rate. Place orders by 6:00pm local time, and receive same day shipping!

Fulfillment Services

From shipping one item to your customer's home to a fully integrated program, SED can help manage all your fulfillment needs. We provide full electronic capabilities (EDI, FTP, XML, Web) to manage product, ordering, and invoicing communications. Service offerings include: Same Day or Scheduled Shipments; "Blind" Shipments, and Fully Customized Shipping. Quick, accurate, and extensive, SED's Fulfillment Services is a leader in distribution.

Flexible Financing

We strive to help our customers succeed by offering finance plans customized to meet their company's needs. Credit options such as Floor Planning, Credit Card, and extended payment terms are available. We have experienced professionals dedicated to give each account personalized service and support.

SED Rewards™
